

# Eco-doku Challenge *Solution!*

We challenge you to solve our most difficult eco-friendly Sudoku puzzle!

👁️ Use a pencil to fill in the puzzle with the nine symbols below.

👁️ Each row, column, and mini-grid should contain only one of each symbol.

👁️ Draw the symbols any way you want, but be sure to add them to the “Eco-doku Symbol Key” on the next page so you know what’s what!
