

# The EverGreen Twins

## Eco-doku

Try to use logic to solve our eco-friendly Sudoku puzzles.

Have fun!  
- Sustaina + Bill

Do it!

Use a pencil to fill in the puzzles with the four symbols below.

- ☞ Each row, column, and mini-grid should contain only one of each symbol.
- ☞ Draw the symbols any way you want, but be sure to add them to the “Eco-doku Symbol Key” on the next page so you know what’s what!
